The Most Important Years of Our Lives

To preserve high school memories in the hearts of Turlock students is the purpose of this Alert.

The four years we spend in high school are the most important years of our lives. During this time, we are guided by the capable abilities of the faculty who try to instill in us knowledge which we will always carry with us. These years are learning years. We learn not only about such things as English and history but also about ourselves. The high school years are active in the sense that we participate in club and social activities. Competition is also present in sports, in which the participants learn how to be good losers as well as good winners. Special organized activities such as the Nonettes, Clarion, and Alert are designed for those who wish to aid Turlock High as well as to better themselves.

Yes, these years hold much for us and should not be forgotten. Ten years from now these pages will only be memories--memories, though, which will be priceless. To see the faces of teachers and friends emerge from this book will always bring back these high school days most vividly. With this purpose in mind, the Alert Staff of Turlock High School proudly presents the 1966 Alert.

A BURNING STAR

Build me straight, O worthy Master,
staunch and strong a goodly vessel
That shall laugh at all disaster
and with wave and whirlwind wrestle.
--Longfellow

No bad man was ever truly great. Just as there is no substitute for thought, so there is no substitute for character. The major portion of the distress and heartache of the world is not because men do not know enough; it is because they are not good enough.

It is not easy to achieve a good character. There is nothing the individual and the world so sorely needs as this very thing – character. The life of a good man or woman hangs in a community, in a generation, in a nation, in the memory of men like a burning star.

JOHN H. PITMAN
Superintendent and Principal

Mr. Wesley Wellander
Dean of Instruction

Dedication

Among the teachers who have been at Turlock High School for many years, no one has shown more interest and enthusiasm for building the health and character of the student body than Joe Debely.

For thirty-three years, first as a physical education instructor, later as head football coach, and finally as head of the physical education department he has given countless hours and devoted attention to a myriad of sports and health programs.

It is the wish of the annual advisor and staff that the 1966 ALERT should be dedicated to

Exchange Students

Besides bringing Roger Rakotomalala to the United States, the American Field Service Program also sent Nancy Bruggman to Norway. After the first pangs of homesickness had subsided, she found that she truly loved that country. Her host family, the Havard Fjestads', have done everything to make her stay in Norway most enjoyable. Nancy has found life in Norway different and sometimes difficult to understand, but she is getting along well. Within the first few months of her stay, she participated in everything from one of her "sister's" wedding to a political rally. The school system is also different, and at first she often had trouble knowing which class to go to on which day. All in all, though, we know that Nancy Bruggman will never forget her experiences in Norway as an ambassador of American goodwill.

Nancy Bruggman

Roger Rakotomalala is this year's exchange student to Turlock from Tananarive, Madagascar, which is off the coast of Africa. Through his experiences here, he has eventually become "Americanized"--at least to some degree. His host family, the Clifford Gloecklers', are learning as much from Roger as Roger is learning from them. He was brought to the United States through the American Field Service program which strives to enable our students to learn about our foreign neighbors while they are learning about us. This is exactly what is happening in Roger's case. The students at Turlock High are curious about this boy from Africa but admire him greatly. He, in turn, is curious about our American society and especially about the teenagers he associates with. His studies at Turlock High vary from Physics and Math, in which he is very proficient, to English and History. Yes, we have learned much from Roger and will indeed hate to see him leave.

Girls' League

Every girl who is a member of the student body of Turlock High is a member of Girls' League. This past year it has sponsored a Mother-Daughter banquet as well as an assembly for its members. It also chooses an outstanding Junior girl to be a representative to Girls' State.

Secretary, Stephanie Sliger; Vice-President, Jennifer Rojas; President, Randee Day; Treasurer, Shirley Rush.

Boys' Federation

Boys' Federation is the counterpart of Girl's League and its membership is limited to the male students at Turlock High. Each year it elects a representative for Boys' State and it also sponsors an assembly for its members.

Farewell! A long farewell to all our school days!
This is the fate of each: to-day he enters
His class in tender hope; tomorrow, blossoms,
And bears his blushing honors thick upon him;
The third day comes a test--a telling test--
That when he fears, poor student, that full surely
His marks will fail to pass him, rates him high,
And then he leaves, as we do. We have ventured,
Like little children, playing here at life,
Four happy seasons in this school of learning,
So far beyond our dreams. Our hard-won gifts
At last fall on our heads, and now have crowned us
As masters ripe for service, in the army
Of life's great stream, that must forever flow on
Bright hope and promise of the world, we greet you!
We feel our hearts new opened. O how happy
Is that student who wins such princely favors!
There is, betwixt the fate we now assume to,
And our accomplishment, much for our thought,
More trials and fears than schools or students have!
But as we go, we go forth conquerors,
Never to come again!

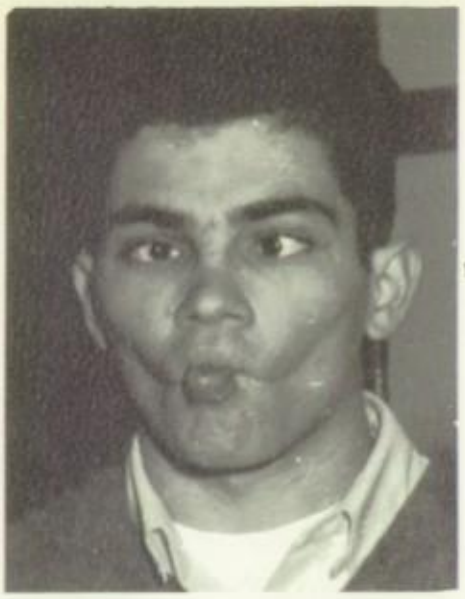
Seniors

The Senior Ball Committee begins plans.

Senior pictures are a highlight of every senior year. Preparation for Commencement activities begin, too, as cap and gown measurements are taken.



Our Devoted Student Body Officers

The talent, ambition, interest, organization and ingenuity of our seniors is seen in these pictures. We watch them as they order their senior announcements,.as they plan for their club activities and as they study intensely.

The Seniors in Action

Naturally, the seniors are noted for their individualism. Some of them are noted for their enthuisasm; others are known for their lovely expressions and their ability to 'pop up' anywhere; and some are renowned for their gourmet appetites.

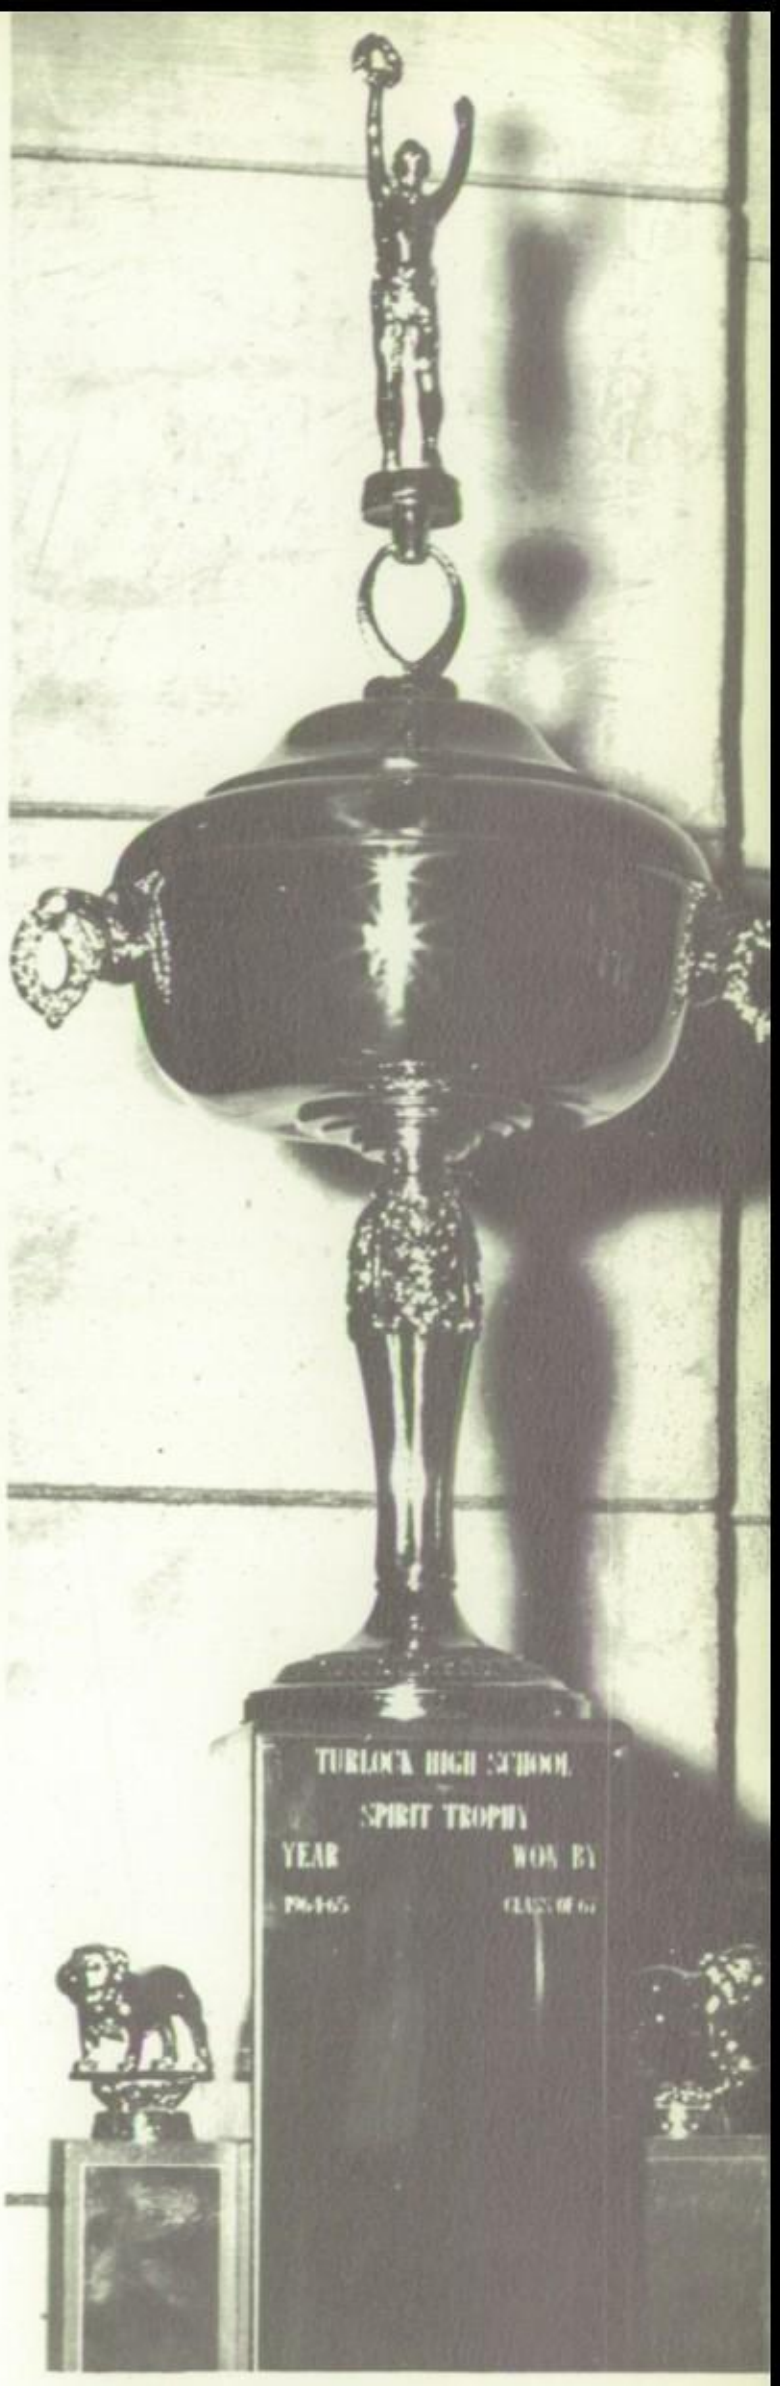
Spirit of '67



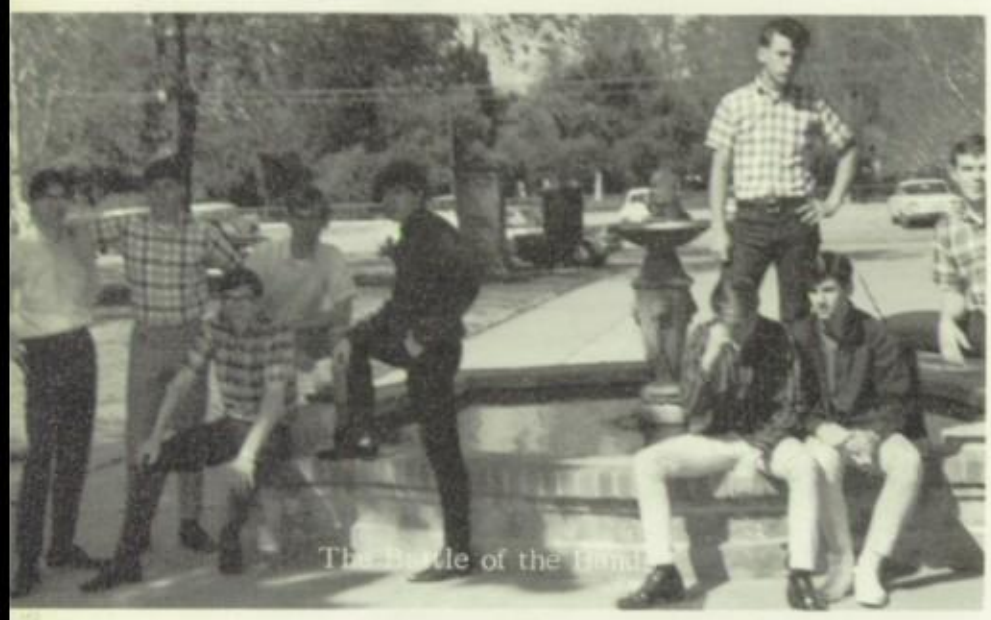
The junior year is truly a busy one as any junior may testify. The prospect of rings dominate the scene for the first few weeks of school, and the choosing of Asilomar and Foreign Exchange Student representatives is also on the agenda. Not only are the juniors involved in these things, but they also take time for less enjoyable aspects of their junior year. These things present themselves in the form of the P.S.A.T. and the National Merit Test. All in all, the junior year is one of the busiest in the life of a high school student.

This year the Junior class participated in the following activities . . . .

The 1965 Rally Parade

The Pep Band

Nonettes



The Battle of the Band

The Christmas Mistletoe Sale

Spirit filled rallies

basketball games

money-making car washes

and the main goal, a successful prom.

Sophomores

Turlock High School's sophomores gave our student body's spirit a real boost.

Throughout the year, they were kept busy with car washes, bake sales, dances,

Rallies and games. Their enthusiasm also helped them to win the spirit trophy.

Freshmen

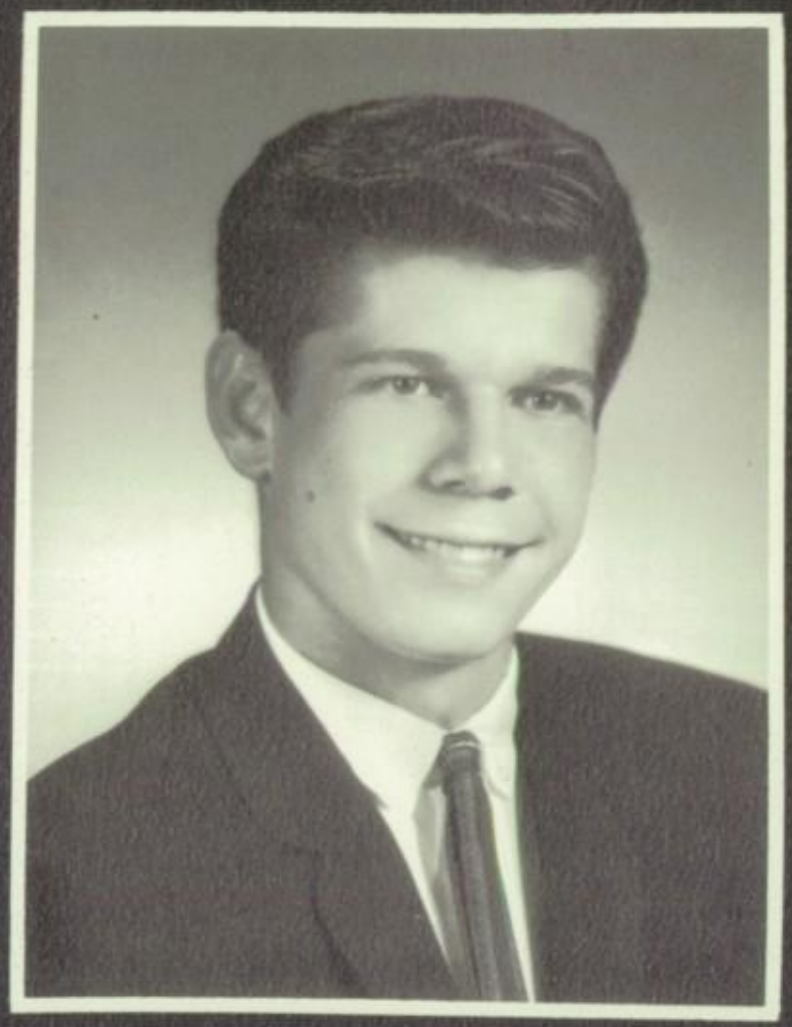
The freshman year is indeed an exciting one. For the students involved, it is a year of meeting counselors for the first time, learning locker combinations, and making lasting friendships. The freshmen will never forget their first rally or their first final examinations. All in all, the freshman year is an unforgettable one.

In Memoriam



Fred Nowlin

I long for household voices gone,
For vanished smiles I long,
But God hath led my dear ones on,
And He can do no wrong.

I know not what the future hath
Of marvel or surprise,
Assured alone that life and death
His mercy underlies . . .

I know not where His islands lift
Their fronded palms in air;
I only know I cannot drift
Beyond His love and care . . .

Talents of many kinds -- musical, terpsichorean, declamatory--made the Talent Assembly memorable.

The Madrigals from Modesto High School presented a varied singing program including "dinner by candlelight."

GIRL'S' STATE

Randee Day

Girls' State and Boys' State are separate conferences which consist of outstanding senior girls and boys respectively from high schools throughout the state of California. At these gatherings, the representatives learn to understand the processes of our democratic society, as well as the responsibility they have to the nation, state, and community.

Asilomar is similar to Girls' State in many ways but is on a more informal level and it gives more girls an opportunity to attend. It is essentially a leadership conference for which each school chooses for its delegates junior girls who have shown exceptional leadership and academic ability. At this conference, the girls learn more about themselves in relationship to the world they live in, and also an insight into the role that leadership plays in our society.

The Clarion is a very active organization of Turlock High. Besides reporting on the various activities and current news items of the school, the paper also includes interviews and even special columns which appear regularly. In addition to being an informative source on what is going on around school, it also presents journalism experience for the students who participate in this activity. The Clarion staff, under the direction of Mr. Burke, work very hard to publish this paper every two weeks, and they indeed succeed in pleasing the student body with the publications.

Nonettes

Rachel Earnest
Student Leader

The Nonettes are a select group of singers which are chosen for their ability from the Treble Clef. It may be said that this group contains some of the best voices which the student body has to offer. Besides entertaining at assemblies and other school functions, they sing at various churches in the area of Turlock.

Members: Marlene Jacobs, Susan Middleton, Betty Jo Bruggman, Judy Thorsen, Camille Johnson, Front Row: Susan Sperry, Rachel Earnest, Juanita Rocha, Janet Davis, Mary Anderson.

Treble Clef

The Treble Clef is a well-know musical group around campus. Besides participating in many school activities, such as assemblies, it has been involved in many community functions. The members have participated in area contests and have brought acclaim to Turlock High.

The Choir is a group of people seriously interested in music. It differs from the other musical groups around school mainly in the content of music they study. In the Christmas assembly the members had a special opportunity of presenting their skill to the student body.

The Junior Statesmen of America is a very active club at Turlock High. This past year its thirty-five members have participated in various money raising projects such as cake sales, magazine sales, and window washing. The money from these projects was then used to help pay for the trips to Fall and Spring State. Besides attending state conventions, the club has also participated in regional meetings which have taken place on a more local level. At every chapter meeting, legislation was presented which encouraged debate on current issues in government.

The American Field Service Club was organized in 1961. Since that year, it has grown to be one of the largest clubs in the school. The main purpose of A.F.S. is to acquaint students with other cultures. This year an International Dinner was held to help sponsor another exchange student. Interesting speakers have included American exchange students who have returned from other countries as well as foreign exchange students at other schools. Roger has also participated frequently at the meetings.

This has been the second year for the German Club, and it has progressed far in the past two years. Their bi-monthly meetings took place in the homes of the various members, and the new German instructor, Mr. Poth, spoke to the club on various aspects of German life at several of these meetings. Several field trips were made among which was a trip to San Francisco for a soccer match. A Christmas party in December was also planned which included real German food.

The Star-Gazer Club is one which is open to those interested in astronomy. This club has been very busy this year making repairs and restoring the observatory which had not been in practical use for many years. Their main concern was the raising of funds for a new mirror for the telescope which was badly needed. Though this club is relatively new, it has accomplished much to better Turlock High.

Thespians

President
Bruce Parker

The Thespians of Turlock High are a group of students interested in acting and in the theater. Earlier in the school year this club presented a children's play entitled Jack and the Beanstalk. Besides this, they helped to put on the all-school plays by giving their advice, assistance, and acting ability. Although they work within the framework of Turlock High they do learn from other schools and also give aid to these schools in the field of acting. This was the case when the Turlock Thespians took on the responsibility of establishing a Thespian troupe at Davis High this past year.

The Photo Club is one of the more active clubs at Turlock High. It is open to those students who are interested in photography. Besides having regular meetings there are special work nights on which the members develop any negatives they have as well as learning new techniques in photography. Special speakers included Mr. Gary Walters who gave instructions on the use of the enlarger and on other various equipment in the dark room. During Easter the Photo Club planned a trip to San Francisco. On the day after graduation, the annual trip to Turlock Lake is also on the year's agenda.

One of the most energetic and spirited clubs on campus is the Bulldog Rally Committee. The purpose of the club is to promote spirit throughout the football, basketball, and baseball seasons. The Rally Club this year has kept the halls, auditorium, bleachers and goal posts of Turlock High decorated to show our teams that the school is behind them. Besides doing this, the Committee built the Queen's Float for the Rally Parade. The club has also sold ribbons to boost school spirit and has always been available to aid in the rallies' excitement.

Frank,
It's sure been a lot of fun this year, huh?
It's too bad that you aren't going to be at Eastlad next year. That's the best part of our English class, and the whole school. Be sure to come visit & have fun.
Love ya,
Jackie
